[CODE CYPRUS 2024]

The main mission of Code Cyprus is to answer the question:

Why should I learn programming?

Since 2014, Code Cyprus is on a mission to inspire the next generation of computer scientists and software engineers via **fun and entertaining activities**:

- Saturday, **9 March 2024**, 9:00-14:30
- At **UCLan Cyprus**, at Pyla, Larnaca
- With workshops in **programming**, **robotics**, and others
- And of course a fun **Treasure Hunt** with cool prizes

University of Central Lancashire — UCLan Cyprus — 1828

inspire — INterdisciplinary Science Promotion & Innovative Research Exploration

IET — CYPRUS LOCAL NETWORK — The Institution of Engineering and Technology

CCS — CYPRUS COMPUTER SOCIETY
